

Mercedes-Benz all-electric stock

Ready for delivery, in time for you to enjoy maximum tax concessions

The government's new electric vehicle tax is coming into effect on 1 April. Mercedes-Benz's full range of all-electric models are available with limited stock for immediate delivery so that you can take advantage of the existing tax concession before 31 March[#], saving the additional HK\$287,500 expenses under the new tax scheme.

Stock is limited, come and choose yours now!

The impact of the new tax policy on vehicle sales prices:
