Professional Diploma in Insolvency

The Professional Diploma in Insolvency Programme (formerly known as the “Diploma in Insolvency”) was introduced by the Institute in 2000. From 2017, the programme adapts a more flexible structure, allowing participants to pace their studies depending on learning needs.

This is a part-time programme with lectures and workshops held on Saturday mornings and tutorials held on weekday evenings. All preparatory and contact hours will qualify as verifiable CPD hours for HKICPA members.

This programme will provide participants with an in-depth and integrated study of the different aspects of insolvency administration, with particular emphasis on the practical issues relating to these areas and the primary principles that underpin them.

Programme Coverage

The entire programme consists of 56 contact hours, comprising Module A (28 hours) and Module B (28 hours). It is not mandatory, however, participants are recommended to complete Module A before attempting Module B.

Pathway to the Diploma Programme

Admission Requirements

Individuals who meet either of the following criteria are eligible for admission to the programme:

- (a) at least 24 months' recent work experience in insolvency, or
- (b) successful completion of HKICPA's Insolvency Preparatory II course (i.e. at least 80% attendance and passed the assessment).

Practical insolvency experience is highly desirable for participants to benefit fully from the programme. As places are limited, preference may be given to applicants who have practical experience. - awarded a certificate of completion by the Hong Kong Institute of Certified Public Accountants
- allowed to use the title **SQ (Insolvency)** and 專項文憑 (破產重整) after their names, in recognition of the achievement of the Institute's specialist qualification in insolvency.

“ What I like about it is that the Course has a good blend of academics, practising lawyers and practising accountants involved in all aspects of the Course and working together. ”

“ the Course has achieved the standard required of a specialist, professional qualification and, perhaps most importantly, it provides an appropriate level for a professional qualification in insolvency. ”
