The HKICPA accounting & business management case competition 2018-19

As one of the flagship events among the secondary schools, the oral presentation of HKICPA accounting and business management case competition 2018-19 was successfully held on 4 May 2019 at the Institute's auditorium. 592 teams with over 2,140 students from 111 schools joined in both Level 1 and Level 2 competitions this year. This annual event allows senior secondary school students to apply their textbook knowledge in the areas of accounting and business to the real world. It also enhances students' enabling skills such as analytical thinking, time management, presentation skills, creativity and team building.

This year Hong Kong Television Network Limited (HKTv) was the company selected for the case study. Participating teams were required to submit a written business proposal analyzing HKTv's business performance and to give a recommendation on strategies to sustain the company's growth. Two business seminars were held earlier in November and December 2018 to help students in preparation for the competition.

Through a blind review of the submitted proposals, the best six teams were selected to enter the final round of the competition—the oral presentation, and compete for the championship.

The adjudication panel on the oral presentation day included:

- Dr. Winnie Leung, Principal Lecturer (Accounting), Faculty of Business and Economics, The University of Hong Kong
- Mr. Paul She, Deputy Chairman of Qualification and Examinations Board, HKICPA and Practising Director, Mazars CPA Limited
- Ms. Alice Wong, Chief Financial Officer, Hong Kong Television Network Limited
- Mr. Dennis Yuen, Principal, St. Paul's College
