OBJECTIVE AND CONTENT

The objective of the training course is to provide an opportunity for PICIG members to understand more about the industries they are working in.

The course is designed for members who are working in the building and construction field, with some basic knowledge of the industry. The course will cover technical topics such as project cost control, contract procurement and administration and introduction to disputes resolution process etc.

Please refer to [page 3](#) for further details of the course content.

REGISTRATION

The number of participants is limited to 20 PICIG members per session. In case of over-subscription, places will be allocated on a first-come-first-served basis to PICIG members applying for the full course of 5 sessions and then to those members applying for individual sessions.

Should a participant who has registered for the full course be unable to attend certain sessions, his/her seat is not allowed to be transferred to a third person.

AWARD OF CITA CERTIFICATE

A CITA certificate will be awarded to those members who registered for the full course (5 sessions) and attended at least 80% of the course (i.e. attended 4 sessions or above).

All participants will be granted 2 HKICPA CPD hours for attending each session.

Interested members should make a reservation by fax, follow by sending the attached reply slip duly completed to the Professional & Technical Department on or before Wednesday, 15 October 2003.
