ABOUT THE SEMINAR

What is Feng Shui? Feng Shui is an ancient art and science developed over 3,000 years ago in China. It is a Chinese philosophical system of harmonizing everyone with the surrounding environment. It is a complex body of knowledge that reveals how to balance the energies of any given space to assure health and good fortune for people inhabiting it.

At the seminar, Mr. Paul Chan, a Feng Shui consultant and columnist, will share his insights into working principles of Feng Shui, relationships between human, time and architecture and verification of architecture and Feng Shui, demonstrated by examples.
