

U.S. Tax Update

Programme Code: TFA160920

Five years after the implementation of FATCA (Foreign Account Tax Compliance Act), the provisions and effects are being felt by many people and businesses. Taxpayers are also continuing to take advantage of the amnesty programmes under the OVDP (Offshore Voluntary Disclosure Program). In addition to these new legal and tax developments, there are many individuals and businesses looking to invest or start businesses in the U.S., as well as many U.S. companies and people expanding abroad. Through all of this, there are many pitfalls and unexpected consequences for unformed taxpayers. It is more important than ever for taxpayers to ensure they are compliant with U.S. tax laws, because failure to do so can result severe penalties.

In this seminar, the speaker will review the provisions of FATCA and the OVDP, as well as U.S. filing requirements and common forms. Additionally, there will be discussion on common problems being experienced by taxpayers, common mistakes and issues, and recommendations for successfully meeting U.S. tax obligations.
