Dear Mr. Ong,

**Invitation to Comment on IASB Exposure Drafts of
(1) Income Tax
(2) Proposed Amendments to IAS 39 and IFRS 7 - Derecognition**

Thank you for your letter dated 27 May 2009 addressed to the Commissioner of Inland Revenue.

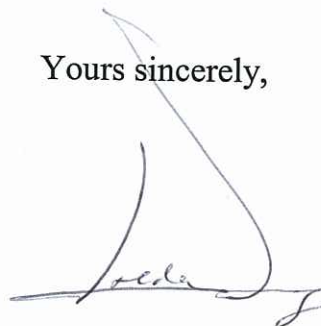

As regards the Exposure Draft of *Income Tax*, I would like to set out the Department's views as follows:

- Question 6B: The proposed requirement will provide some useful information about the tax strategies implemented.
- Question 9: Use of consistent rate will provide a useful measure of the deferred tax assets and liabilities.
- Question 15: The proposed classification of deferred tax assets and liabilities is more informative than the present one.

Turning to the Exposure Draft of *Derecognition*, the Department's view to Question 1 is that the assessment made at the level of the reporting entity is agreeable.

Apart from the above, the Department is largely neutral or has no particular comments on the questions raised in the captioned two Exposure Drafts.

Yours sincerely,
