	<i>Paragraphs</i>
Introduction	1 - 5
Scope of the Ordinance	6 - 12
Reporting under the Ordinance	13 - 25
Other ad hoc communications by the auditor	26 - 51
Communications by the Insurance Authority to the auditor under section 53A(3)(da) and (f)	52 - 54

Practice Note (PN) 620.2 (Revised), *Communication between the Auditor and the Insurance Authority* should be read in the context of the *Preface to the Hong Kong Quality Management, Auditing, Review, Other Assurance, and Related Services Pronouncements*.

PRACTICE NOTE
620.2 (REVISED)
COMMUNICATION BETWEEN THE AUDITOR AND
THE INSURANCE AUTHORITY

The purpose of Practice Notes issued by the Hong Kong Institute of Certified Public Accountants (HKICPA) is to assist the auditor in applying Hong Kong Engagement Standards of general application to particular circumstances and industries.

Practice Notes are persuasive rather than prescriptive. However they are indicative of good practice and have similar status to the explanatory material in Hong Kong Engagement Standards. This Practice Note provides guidance to assist the auditor to fulfill the objectives of the engagement. The auditor should be prepared to explain departures when called upon to do so.

Introduction

1. In this Practice Note all the sections mentioned below are in respect of the Insurance Ordinance (“the Ordinance”) unless otherwise stated.
2. To enable the implementation of a risk-based capital (“RBC”) regime for the insurance industry in Hong Kong, the Insurance (Amendment) Ordinance 2023 (“Amendment Ordinance 2023”) was enacted in July 2023, which provides the legal basis for the implementation of the RBC regime. The Amendment Ordinance 2023, among others, empowers the Insurance Authority to make rules to prescribe detailed requirements in subsidiary legislation.
3. Section 53D of the Ordinance provides statutory protection for the auditor from liability to the client for breach of confidentiality when the auditor communicates directly with the Insurance Authority. Sections 15A(2), 53E and 53F impose a statutory obligation on the auditor to report certain matters directly to the Insurance Authority.
4. This Practice Note refers to the auditor, audits, reports on the annual financial statements and reports on the annual regulatory returns an authorized insurer or a licensed insurance broker company is required to submit to the Insurance Authority.
5. This Practice Note is applicable to:
 - a. an auditor or former auditor of an authorized insurer or a former insurer
 - i. who is appointed under section 15 or the rules made under section 129 (the *Insurance (Submission of Statements, Reports and Information) Rules*, see paragraph 7 below);
 - ii. who is appointed under section 15 as in force immediately before the commencement date of section 23 of the Insurance (Amendment) Ordinance 2023; or
 - iii. who audits the forms and statements mentioned in paragraph 4(1A) of Part 1 of Schedule 3 as in force immediately before the commencement date of section 98 of the Insurance (Amendment) Ordinance 2023;
 - b. an accountant or former accountant
 - i. of an authorized insurer or a former insurer; and
 - ii. appointed by the insurer or former insurer in compliance with a requirement under section 35(1); and

- c. an auditor or former auditor of
 - i. a licensed insurance broker company;
 - ii. a former licensed insurance broker company; or
 - iii. a person who was formerly an authorized insurance broker within the meaning of the pre-amended Ordinance.

Scope of the Ordinance

- 6. The Ordinance regulates the carrying on of insurance business in Hong Kong. One of the primary purposes of the Ordinance is the protection of policy holders and potential policy holders. The Insurance Authority is charged under section 4A with the functions set out below.
 - a. The principal function of the Insurance Authority shall be to regulate and supervise the insurance industry for the promotion of the general stability of the insurance industry and for the protection of existing and potential policy holders (section 4A(1)).
 - b. Without limiting the generality of section 4A(1), the Insurance Authority shall:
 - i. be responsible for supervising an authorized insurer's and a licensed insurance intermediary's compliance with the provisions of the Ordinance;
 - ii. consider and propose reforms of the law relating to insurance business;
 - iii. promote and encourage the adoption of proper standards of conduct and sound and prudent business practices by authorized insurers;
 - iv. promote and encourage the adoption of proper standards of conduct by licensed insurance intermediaries;
 - v. review and, if necessary, propose reforms of the systems for regulating authorized insurers and licensed insurance intermediaries;
 - vi. regulate the conduct of insurance intermediaries through a licensing regime;
 - vii. promote the understanding by policy holders and potential policy holders of insurance products and the insurance industry;
 - viii. formulate effective regulatory strategies and facilitate the sustainable market development of the insurance industry, and promote the competitiveness of the insurance industry in the global insurance market;
 - ix. conduct studies into matters affecting the insurance industry;
 - x. assist the Financial Secretary in maintaining the financial stability of Hong Kong by taking appropriate measures in relation to the insurance industry;
 - xi. co-operate with and assist financial services supervisory authorities of Hong Kong or of any place outside Hong Kong, whenever appropriate, to the extent permitted by the Ordinance; and
 - xii. perform functions imposed or conferred on the Insurance Authority by this or any other Ordinance (section 4A(2)).
- 7. Section 17(1) of the Ordinance states that the Insurance Authority may, by rules made under section 129, prescribe requirements in relation to the submission by an authorized insurer to the Insurance Authority of any statements, reports or other information relating to the insurer's business, including requirements as to the following matters—:
 - a. what statements, reports or information must be submitted to the Insurance Authority;

- b. whether the statements, reports or information must be audited; and
- c. how and when the statements, reports or information must be submitted.

The *Insurance (Submission of Statements, Reports and Information) Rules* (“ISRIR”) made under section 129(1) of the Ordinance prescribes the information required to be submitted by an authorized insurer to the Insurance Authority and also covers the submission requirements, the auditor’s reporting requirements for the specified annual forms within the annual regulatory returns, and the transitional arrangement. Detailed guidance is set out in PN 810.2 (Revised), *The Duties of the Auditor of an Insurer authorized under the Insurance Ordinance*.

- 8. Section 73(1) specifies the form of financial statements which a licensed insurance broker company, licensed by the Insurance Authority under section 64ZA, is required to provide to the Insurance Authority within 6 months after the end of each financial year. The auditor is required to report on the licensed insurance broker company’s financial statements and compliance with rules made under section 129 that set out the following requirements:

- a. capital and net assets;
- b. professional indemnity insurance;
- c. keeping of separate client accounts; and
- d. keeping proper books and accounts.

The *Insurance (Financial and Other Requirements for Licensed Insurance Broker Companies) Rules* made under section 129(1) of the Ordinance prescribe the requirements applicable to licensed insurance broker companies. Detailed guidance is set out in PN 810.1 (Revised), *Licensed Insurance Brokers Companies – Compliance with the Insurance (Financial and Other Requirements for Licensed Insurance Broker Companies) Rules*.

- 9. Authorized insurers and licensed insurance broker companies who are incorporated in Hong Kong are required to prepare financial statements and to have them audited under the provisions of the Companies Ordinance.
- 10. In the course of performing the work necessary to discharge these routine audit reporting responsibilities, the auditor may become aware of matters which the auditor considers need to be brought to the Insurance Authority’s attention through an “ad hoc report”, other than through the medium of the routine formal audit or assurance report.
- 11. This Practice Note is concerned only with ad hoc communications between the auditor and the Insurance Authority:
 - a. by the auditor to the Insurance Authority under the obligations established in sections 15A(2), 53E and 53F;
 - b. by the auditor to the Insurance Authority under the protection of section 53D; and
 - c. by the Insurance Authority to the auditor under section 53A(3)(da) and (f).

It does not cover the auditor’s approach to the audit of an authorized insurer or a licensed insurance broker company or the routine audit reporting responsibilities.

- 12. Certain expressions used in the Ordinance may be matters for legal interpretation. There may, therefore, be circumstances in which, notwithstanding the guidance in this Practice Note, the auditor will wish to take legal advice.

Reporting under the Ordinance

13. The Insurance Authority expects that the management of an authorized insurer or a licensed insurance broker company will continue to be its primary source of information and that the normal authorized reporting procedures, including returns, discussions, examinations and any tripartite meetings will normally provide the Insurance Authority with most of the information it needs to carry out its responsibilities under the Ordinance.
14. Nevertheless, under the Ordinance, the auditor has various statutory responsibilities to report to the Insurance Authority on matters concerning its client (i.e. an authorized insurer or a licensed insurance broker company). Section 53D provides statutory protection to the auditor from liability for breach of confidentiality owed to its client when making a report in good faith in discharge of such a statutory responsibility or other reports to the Insurance Authority which the auditor may consider to be relevant to the functions of the Insurance Authority. These responsibilities and avenues available for reporting do not require the auditor to change the scope of the audit work, nor the frequency or timing of the visits.
15. The auditor is advised to bear in mind that the auditor's decision may have to stand up to examination at a future date on the basis of the following considerations:
 - a. what the auditor knew at the time;
 - b. what the auditor should have known in the course of the audit;
 - c. what the auditor should have concluded; and
 - d. what the auditor should have done.

The auditor's notices to the Insurance Authority under section 15A(2)

16. The auditor has a statutory duty to give immediate written notice to the Insurance Authority in the circumstances set out below.
 - a. If the auditor resigns (section 15A(2)(a)).
 - b. If for an auditor who has been so appointed for a fixed term - the auditor decides not to seek reappointment (section 15A(2)(b)).
 - c. If the auditor decides to add a qualification or adverse statement to the auditor's report annexed to the accounts and statements of the authorized insurer required to be submitted under any requirement prescribed by virtue of section 17 (section 15A(2)(c)).

The decision to give written notice would normally only be taken after extensive discussions with management and when a problem is either irremediable or when the circumstances indicate that the auditor intends to qualify.

Section 15A(2) applies to the auditor of an authorized insurer appointed under section 15(1).

Ad hoc reports under sections 53E and 53F

17. Sections 53E and 53F specify that an auditor should report directly to the Insurance Authority in certain cases relating to authorized insurers and licensed insurance broker companies.
18. Section 53E provides that where an auditor, during the discharge of the duties in that capacity:
 - a. becomes aware of any matter... which in the auditor's opinion adversely affects the financial condition of the insurer to a material extent, the auditor shall, as soon as practicable thereafter, send to the Insurance Authority a report in writing of the matter (section 53E(1)); and

- b. becomes aware of evidence...
 - i. of a failure by the insurer to comply with any conditions imposed under section 8(1)(a) or 8A(1)(a);
 - ii. that there exists a ground on which the Insurance Authority would be prohibited by section 8(3)(a), (b), (d) or (f) from authorizing the insurer if the insurer were to make application in that behalf;
 - iii. of a failure by the insurer to comply with section 21B, 22, 23, 25AA, 25AAB or 25AAE; or
 - iv. of any default of the insurer in complying with any requirement under section 27, 28, 29, 30, 31, 32, 32A, 33, 34 or 35(1),

the auditor shall, as soon as practicable after becoming so aware, send to the Insurance Authority a report in writing of the failure, ground or default (section 53E(3)).

19. Section 53F provides that where an auditor or a former auditor, during the discharge of the duties in that capacity, becomes aware of any evidence of a failure by:
- a. a licensed insurance broker company;
 - b. a former licensed insurance broker company; or
 - c. a person who was formerly an authorized insurance broker within the meaning of the pre-amended Ordinance;

to comply with the specified rules¹, he/she must, as soon as practicable thereafter, send to the Insurance Authority a report in writing of the failure (section 53F(1) and (2)).

20. These are statutory obligations and the following paragraphs of the Practice Note provide the auditor with procedures to follow when such circumstances arise.

Reporting criterion under sections 53E and 53F

21. The auditor would take the initiative and ensure that an ad hoc report under sections 53E and 53F are made to the Insurance Authority if the conditions specified in paragraphs 18 and 19 exist. A distinction must be drawn here between an auditor's duty as stated in paragraph 18(a) and that stated in paragraphs 18(b) and 19. The duty under paragraphs 18(b) and 19 is clear and unequivocal; if the auditor becomes aware of a contravention of the provisions in the Ordinance and specified rules¹, the auditor is not given any latitude for exercising judgement. The auditor is obliged to make a report. The duty under paragraph 18(a) is different. The auditor is given the right to form an opinion based on applying criteria as to the materiality of an adverse effect on the authorized insurer's financial position in deciding whether reporting would be appropriate.

The HKICPA has developed a criterion for use by the auditor in deciding to take the initiative in making an ad hoc report under section 53E in addition to the regular audit reporting responsibilities. The criterion is that the auditor would make the report when the auditor considers it expedient to do so in order for the Insurance Authority to protect the interests of

¹ Specified rules under section 53F refer to:

- (a) in relation to a licensed insurance broker company or a former licensed insurance broker company, means rules made under section 129 that set out the requirements in relation to the (i) capital and net assets; (ii) professional indemnity insurance; (iii) keeping of separate client accounts and (iv) keeping of proper books and accounts by a licensed insurance broker company; or
- (b) in relation to a person who was formerly an authorized insurance broker within the meaning of the pre-amended Ordinance, means the minimum requirements specified by the former authority under the pre-amended Ordinance.

policy holders because there has been a material loss or there exists a significant risk of material loss.

22. This criterion can be more fully explained as follows:
- a. there must be a significant adverse occurrence or a change in the auditor's perception of an existing situation, that may include an adverse change in the circumstances of the business; and
 - b. the situation described in a. above has given rise to or has indicated that a reasonable probability exists that it may give rise to:
 - i. a material financial loss to the business, or
 - ii. loss of control over the assets or records.
23. Examples of the circumstances in which the situation set out in paragraphs 21 and 22 may be met include:
- a. the auditor discovers a failure by the authorized insurer to comply with the relevant provisions of the Ordinance e.g. capital requirements, which may have material consequences; or
 - b. there is evidence of imminent financial loss of serious proportions which might cast doubt on the continuing viability of the authorized insurer.

Reporting procedures under sections 53E and 53F

24. In circumstances where the auditor concludes that an ad hoc report under sections 53E and 53F to the Insurance Authority is necessary, the auditor would normally adopt the procedures set out below, bearing in mind that speed may be of the essence and that the statutory obligation to report under sections 15A(2), 53E and 53F remains subject to the criterion discussed in paragraphs 21 - 23.
- a. The auditor would normally discuss the matter with the authorized insurer or licensed insurance broker company and explain the statutory duty to make a report to the Insurance Authority under sections 53E or 53F. In addition, the authorized insurer or licensed insurance broker company may be advised to make its own report to the Insurance Authority immediately.
 - b. The auditor would normally then immediately inform the Insurance Authority of the circumstances in writing. It is suggested that a copy of both the written notification and the ad hoc report be made to the directors or management of the authorized insurer or licensed insurance broker company.
25. The auditor is reminded that making an ad hoc report alone may not discharge all the responsibilities. For example, the auditor would consider the implications of the matter giving rise to the ad hoc report for the auditor's opinion on the financial statements or regulatory returns, where applicable.

Other ad hoc communications by the auditor

Statutory protection under section 53D

26. Section 53D provides that:
- “(1) No duty which a prescribed person may be subject to shall be regarded as contravened by reason of his communicating in good faith to the Insurance Authority, whether or not in response to a request made by the Insurance Authority, any information or opinion on a matter:

- a. of which he becomes aware in his capacity as a prescribed person...; and
 - b. which is relevant to any function of the Insurance Authority under this Ordinance.
- (2) For the avoidance of doubt, it is hereby declared that a matter referred to in subsection (1) may be a matter which relates to a person other than -
- a. an authorized insurer;
 - b. a former insurer;
 - c. a licensed insurance broker company;
 - d. a former licensed insurance broker company; or
 - e. a person who was formerly an authorized insurance broker within the meaning of the pre-amended Ordinance.”
27. Section 53D does not lay down any rules nor specify the circumstances in which the auditor is to communicate any matter to the Insurance Authority. It provides a statutory mechanism whereby the auditor may make matters known to the Insurance Authority without breaching the auditor’s duty of confidentiality.
28. This section of the Practice Note contains guidance on the circumstances in which matters (which fall outside those which the auditor is obliged to report (see paragraphs 16 to 25 above)) may be brought to the attention of the Insurance Authority by way of a report with statutory protection. In interpreting this guidance, the auditor is advised to bear in mind the fundamental objectives of the legislation, which are to ensure that the Insurance Authority is able to fulfil its functions summarised in paragraph 6.
29. Confidentiality is an implied term of an auditor’s contract with the client, but in certain circumstances and under conditions specified in section 53D it does not prevail, since the auditor is entitled to communicate information or opinions on a matter relating to the business or affairs of the client relevant to the Insurance Authority’s functions without the duty of confidentiality owed to the client being regarded as having been contravened.
30. The matters which may be communicated under section 53D are any of those relevant to the Insurance Authority’s functions under the Ordinance.
31. Matters which may be reported under the protection of section 53D will only arise in circumstances where the auditor is under no duty to report under sections 15A(2), 53E or 53F. Considerable care needs to be taken in disclosing matters arising during any tripartite meeting with the Insurance Authority as the auditor’s knowledge of these matters may have been obtained while assisting the Insurance Authority other than in the capacity as the auditor (see paragraph 34).

Examples of circumstances in which the auditor may communicate a matter to the Insurance Authority under section 53D include:

- a. the auditor considers policy holders have incurred, or are at significant risk of incurring, a material loss as a result of authorized insurers or licensed insurance broker companies carrying on business in a manner that is not fit and proper or that is in breach of the Ordinance;
- b. there is evidence of
 - i. fraud, dishonesty, misconduct² or serious incompetence; or

² For definition of misconduct, refer to sections 41P(5) and 80 of the Ordinance at: <https://www.elegislation.gov.hk/hk/cap41>

- ii. serious failure to observe requirements of the Ordinance or conditions imposed on the authorized insurer or the licensed insurance broker company by the Insurance Authority;
 - c. it has come to the attention of the auditor that the procedures, records or systems fail significantly to comply with, or to demonstrate compliance with, requirements set by the Insurance Authority to which the authorized insurer or licensed insurance broker company is subject; and
 - d. the position is such that because of a significant risk which is material to the collective interests of policy holders, the policy holders' interests would be better safeguarded if the Insurance Authority were aware of the position, even if only to organise protective action.
32. Clearly the potential nature of matters which may be reported is very wide, but as explained in paragraph 35 this does not, of itself, require the auditor to extend the scope of the work in order to discover matters and it will only be in exceptional circumstances such as those described in paragraph 50 that the auditor may choose to seek statutory protection.
33. Any protected communication can be made either on the auditor's initiative or in response to a request from the Insurance Authority for information. The auditor would normally cooperate with the Insurance Authority and respond to any requests from the Insurance Authority for information, provided the auditor has no reason to doubt that the request is relevant to the Insurance Authority's functions. The auditor may communicate a matter to the Insurance Authority with the protection of section 53D regardless of the source of that information, provided the auditor became aware of the matter in the capacity as the auditor of the client and the auditor does so in good faith.
34. Matters of which the auditor becomes aware "in the capacity as the auditor" may not be restricted to those matters identified by the auditor during the course of the audit work. The auditor may become aware of a matter which is relevant to the functions of the Insurance Authority during the course of the work for the authorized insurer or licensed insurance broker company other than audit work or through private discussions on social or other occasions, in which case the information will be known to the auditor as individual. In circumstances which suggest that a matter would be reported to the Insurance Authority if knowledge of it had been obtained in the capacity as the auditor, it would be prudent to make enquiries in the course of the audit work in order to establish whether this is the case from information obtained in this capacity. In addition, a matter which is relevant to the functions of the Insurance Authority and which is identified during the course of work for the client by another partner (or member of staff) such as a management consultant or tax partner may be deemed to be known to the auditor (see also paragraph 36). The auditor may follow the guidance set out in HKSA 250, *Consideration of Laws and Regulations in an Audit of Financial Statements*³.
35. The auditor cannot be expected to be aware of all circumstances which, had the auditor known of them, would have led the auditor to exercise the right to communicate under section 53D. This section does not require the auditor to change the scope of the audit or other work for the client, nor the frequency or timing of the visits. The auditor has no obligation to seek out grounds for making a report under section 53D. The section does not place an obligation on the auditor to conduct the work in such a way that there is reasonable certainty that the auditor will discover a matter upon which the Insurance Authority may need to act. It is only when the auditor does become aware in the ordinary course of the work of such a matter, or of circumstances which suggest the existence of such a matter, that the auditor would consider using the protection of section 53D.
36. The auditor would, however, ensure that the auditor is made aware of any other relationships which may exist between any department of the firm and the client which could affect the work as the auditor. The Insurance Authority expects that the auditor will ensure that the auditor is informed of all potentially exceptional circumstances (paragraphs 50 and 51) by all other

³ HKSA 250 (Revised) issued in June 2017 is effective for audits of financial statements for periods beginning on or after 15 December 2017.

departments within the firm which have a relationship with the authorized insurer or licensed insurance broker company. It would, therefore, be prudent for the audit firm to ensure any exceptional circumstances which may give rise to reports under section 53D are brought to the attention of the auditor of the client in order that the auditor can, if appropriate, make enquiries in the capacity as the auditor to ascertain whether such matters should be reported to the Insurance Authority.

37. The Insurance Authority recognises that it would not be appropriate for the auditor to report information which the auditor has obtained or matters which the auditor has identified through the professional relationship with another client, even though the information obtained or the matters identified may relate to an authorized insurer or a licensed insurance broker company. However, the Insurance Authority expects an authorized insurer or a licensed insurance broker company to advise its auditor when it appoints a third party (including another department of the same firm) to review, investigate or report on any aspects of its records and systems and to provide the auditor with copies of reports by such a third party promptly after their receipt. The auditor can, if appropriate, make enquiries in the capacity as the auditor to ascertain whether any findings of the reports should be reported to the Insurance Authority.
38. It should be noted that section 53D will not provide protection to the auditor where the auditor could be held to have acted maliciously or in bad faith or if the information reported is outside the scope of that section. The Ordinance does not, therefore, provide complete immunity from all types of legal action by all parties affected, or subsequently affected, by the auditor's action in reporting to the Insurance Authority. The auditor would consider taking legal or other professional advice before making the decision about whether, or in what manner, to report and in order, for example, to ensure that the form and content of the report are such as to secure the protection of section 53D and that it only includes relevant material.
39. The auditor is protected from a breach of confidentiality owed to its client even if the information which the auditor communicates falls short of proof, or the opinion which the auditor communicates cannot be verified so long as the auditor can demonstrate that it has acted reasonably and in good faith in informing the Insurance Authority of a reportable matter even if, after an investigation, it was found there was not a matter which needed to be reported. These are areas where the auditor may wish to consider taking legal advice before making a report.
40. Whilst no breach of statutory duty might arise, it should be appreciated that there is no protection given by the Ordinance if the auditor, after becoming aware of an occurrence, fail to report, promptly, or at all, to the Insurance Authority. Furthermore, it should be recognised that speed of reporting is likely to be important in order to enable the Insurance Authority to protect the interests of policy holders.

Meetings with the Insurance Authority

41. As part of the Insurance Authority's system of supervision of authorized insurers, meetings involving the Insurance Authority, the authorized insurer or licensed insurance broker company and its auditor may be called. These meetings may be categorised as "routine meetings" called by the Insurance Authority or "special meetings" which may be called by either the Insurance Authority, or the authorized insurer or licensed insurance broker company possibly at the auditor's suggestion.
42. The agenda for a tripartite meeting between the Insurance Authority, the authorized insurer or licensed insurance broker company and the auditor will be prepared by the initiating party and will include items requested by other parties and be circulated in advance. The auditor is expected to participate fully in tripartite meetings and to have regard to the breadth of the Insurance Authority's functions. Normally, however, it is expected that the auditor will discuss with the client any matter which is to be raised at a meeting with the Insurance Authority, before the meeting is held.
43. The auditor would be expected to discuss with the Insurance Authority the affairs of the authorized insurer or licensed insurance broker company including, if necessary, information about its policy holders or other companies within the group obtained in the course of that work.

However, the Insurance Authority recognises that it would not be appropriate for the auditor to report to the Insurance Authority information about the authorized insurer or licensed insurance broker company which the auditor has obtained through the professional relationship with another client.

44. Meetings may be called by the Insurance Authority to assist in its forming a judgement on an authorized insurer or licensed insurance broker company. In particular discussions may cover:
- a. the presentation and content of the annual financial statements;
 - b. the scope, conduct and outcome of the audit of the annual financial statements and the assurance report of the specified annual forms within the annual regulatory returns;
 - c. the scope and outcome of any report made under sections 53E and 53F;
 - d. explanations for, the reasons for and the nature of a qualified report or of a change in a previously reported intention to qualify a report;
 - e. any step or course of action which may be necessary in the light of the reports, for example, the commissioning of a more detailed report in a particular area; and
 - f. matters raised by the Insurance Authority or those which the authorized insurer, licensed insurance broker company or auditor have drawn to its attention since any previous meeting, including how such matters have been resolved to the satisfaction of the auditor or have been reflected or treated in the financial statements.
45. Any party may seek to call a tripartite meeting at any other time if important matters affecting the authorized insurer or licensed insurance broker company come to their attention as further discussed in paragraph 47. Normally, the auditor would raise the concerns with the authorized insurer or licensed insurance broker company first and if the problem cannot be resolved to the auditor's satisfaction, suggest that the authorized insurer or licensed insurance broker company asks the Insurance Authority to convene a meeting.
46. In exceptional circumstances, for example, those outlined in paragraphs 50 and 51 or after a reporting has been made to the Insurance Authority pursuant to section 53D, the auditor may consider it necessary to have a bipartite meeting with the Insurance Authority to discuss the affairs of the authorized insurer or licensed insurance broker company or to draw the attention of the Insurance Authority to information about the authorized insurer or licensed insurance broker company without its knowledge. Before doing so, however, the auditor would consider taking timely legal advice and whether a representative of the authorized insurer or licensed insurance broker company at an appropriately senior level would be informed and invited to attend the meeting.

Reporting via the authorized insurer or licensed insurance broker company

47. Where the auditor becomes aware of a matter which, in the auditor's professional judgement, the auditor considers is not required to be reported under sections 15A(2), 53E or 53F but ought to be reported to the Insurance Authority, the auditor would consider the facts and, unless inappropriate in the circumstances (described in paragraph 50), discuss the matter with the management.
48. It is important for the auditor to act in a manner that will maintain the professional relationship with the client. Normally, therefore, the auditor would ask the authorized insurer or licensed insurance broker company to draw matters about which the auditor is concerned to the attention of the Insurance Authority. An example of the circumstances under which the auditor is not required to report, but the auditor might wish to persuade the client to inform the Insurance Authority, is where the auditor forms the opinion that management has reported materially misleading financial information to the Insurance Authority or becomes aware that management

has failed, or does not intend, to report something and the failure to report is, or would be, materially misleading.

49. Where the authorized insurer or licensed insurance broker company will not himself inform the Insurance Authority of a matter, having been advised to do so by the auditor, or where it has not been done within the period of time specified, or where there is not adequate evidence that the client has properly reported the matter in question, the auditor would make such a report directly to the Insurance Authority.

Reporting directly to the Insurance Authority

50. In exceptional circumstances, where the auditor doubts whether management are fit and proper⁴ persons to carry on the business of insurance or insurance broking or become aware of misconduct of management and it would be in the interest of protecting policy holders that the management of the authorized insurer or licensed insurance broker company should not be informed in advance, the auditor would report directly to the Insurance Authority after first considering the appropriateness of taking independent legal advice. Examples of such circumstances include:
- a. where there has been an occurrence which causes the auditor no longer to have confidence in the integrity of the directors or senior management, e.g. where the auditor believes that a fraud or other irregularity has been committed by the directors or senior management of the authorized insurer or licensed insurance broker company, or the auditor has evidence of the intention of directors or senior management to commit such a fraud or other irregularity; or
 - b. where there has been an occurrence which causes the auditor no longer to have confidence that the directors or senior management will conduct the business of the authorized insurer or licensed insurance broker company in a prudent manner so as to protect the interests of policy holders, e.g. where the auditor has discovered that the directors or senior management are acting in an irresponsible or reckless manner with respect to the affairs of the business or its policy holders, or the auditor has evidence of the inclination so to act.
51. The auditor would also report directly to the Insurance Authority when speed is of the essence. For example, when the auditor becomes aware that the insurer or insurance broker company may be about to cease being authorized, the auditor would consider the need to disclose to the Insurance Authority any information in the auditor's possession relevant to its functions without delay. The fact of such impending cessation of authorization may bring forward the desirability of disclosing matters to the Insurance Authority, as it is easier for the Insurance Authority to take appropriate action while the insurer or insurance broker company is still authorized, particularly where such matters have a bearing on the security of third party interests.

Communications by the Insurance Authority to the auditor under section 53A(3)(da) and (f)

52. The Ordinance also deals with communications by the Insurance Authority to the auditor of an authorized insurer or a licensed insurance broker company.
- a. Section 53A(3)(da) permits the communication of restricted information to the auditor of an authorized insurer or a licensed insurance broker company for the purpose of enabling or assisting the Insurance Authority to discharge its functions under the Ordinance without the consent of the person from whom it is received or to whom it relates.
 - b. Section 53A(3)(f) permits the communication by the Insurance Authority to the auditor of an authorized insurer or a licensed insurance broker company if, in the opinion of

⁴ For determination of fit and proper, refer to sections 14A and 64ZZA of the Ordinance at: <https://www.elegislation.gov.hk/hk/cap41>

the Insurance Authority, such information is necessary for the auditor to discharge the duties under the Ordinance.

53. If the auditor of an authorized insurer or a licensed insurance broker company, during the course of the audit, has come to the auditor's attention on matters which render the auditor to have concerns about the compliance with the Ordinance in relation to the authorized insurer or a licensed insurance broker company, and cause the auditor to believe that it is of such importance that they could significantly affect the audit or assurance conclusion, the auditor may consider seeking clarification from the Insurance Authority. In such circumstances, the confirmation can be forwarded to the Insurance Authority specifying the details of the confirmation he/she is seeking from the Insurance Authority and the name of the authorized insurer or a licensed insurance broker company for the case in question. It should be noted that the auditor may not necessarily send to the Insurance Authority such request as a standing procedure to seek the Insurance Authority's confirmation in this respect. Auditors are expected to write to the Insurance Authority only when they have reasons to believe that such a confirmation is necessary due to matters involving breach of the Insurance Ordinance.
54. It should be noted that disclosure by the Insurance Authority of confidential information to the auditor is to the auditor only; the auditor is not free to pass that information to others, such as the client insurer or licensed insurance broker company without the consent of the Insurance Authority under section 53A(3D) of the Ordinance. In case where the confidential information affects the audit or assurance conclusion, the auditor may contact the Insurance Authority for discussion.
