香港會計師公會/香港商業教育學會「企會財模擬考試」

## Why accounting?

Accounting is the language of business. No matter where you live or how the economy is doing, there is always a need for accountants. Possessing basic accounting knowledge will gear you up for pursuing further studies and get you prepared in joining the business world.

## Who is it for?

Senior secondary school students who are studying business-related subjects, especially Business, Accounting and Financial Studies (BAFS), and those who wish to pursue a higher education in business, accounting or any other disciplines.

## HKICPA/HKABE BAFS Mock Examination

Over the past 10 years, the Hong Kong Institute of Certified Public Accountants (HKICPA) and the Hong Kong Association for Business Education Limited (HKABE) organized their own BAFS Mock Examinations, aiming to help students prepare well for the HKDSE Examination for the BAFS subject. Both HKICPA and HKABE fully adopt the format and syllabus of the HKDSE BAFS Examination (for parts on compulsory, the accounting and business management modules).

As HKICPA and HKABE share the same vision on supporting BAFS students and have extensive experience in arranging mock examinations, starting 2017, a collaborative effort on the joint BAFS Mock Examination by the two institutions can leverage the resources in further strengthening students' accounting and business knowledge and their technique in handling public examinations.

## Reasons for taking the Mock Examination

- Equip students with the necessary examination techniques to excel in HKDSE Examination in BAFS
- Reinforce students' accounting and business knowledge taught in class for better preparation for public examination
- Gain real experience in public examination
- Allows students to compare their examination performance with other BAFS students
- Enrich students' learning profile with an examination result report and certificate jointly issued by HKICPA and HKABE
- Convenient online system for group enrolments by schools
