Dear members,

We have enrolled 1 "Mixed Team", 1 "Women Team" & 1 "Men Team" at the **2011 Sai Kung Vigor DB Race** to be held on Sunday, **July 24, 2010** at Sai Kung pier .

Please enrol by reply email if you are interested at participating at the race by July 10, 2011 and come for the training session on every Wed night at 7:30 pm and every Sunday at 9:00 am at Sai Sha Beach.

Please note that only 10-12 paddlers would be paddled at each heat of each categories. We shall try our utmost best to place every participant at the race if circumstance allows. However, there is no guarantee that all these members who turn up at the race day will definitely have the chance to paddle. There are a few basic criteria of placing the paddlers at race day, based on but not limited to, as below:

- no. of attendance at training
- team spirit
- coach & OCs recommendation
- performance during the training & on race day
- strategies of the race

Please contact me by email at camille_dodson@yahoo.com.hk if you have any questions.

Thanks,
Camille
