

Technical Update Evenings

Technical Update Evenings (TUE) is a programme of regular evening learning sessions held by the Institute to provide comprehensive training to members to build up knowledge on current financial reporting and auditing issues. In each session, TUE aims to help members explore key areas of complexity within the standards and to increase members' abilities to deal with issues arising from the application of standards and get more knowledge on new topics.

The programme covers current standards but puts particular emphasis on those that have been identified as having particular application issues.

Basic principles and insights on Fair value measurements

Programme Code: TUE140207 (TUE1402)

The measurement of fair value under HKFRS may not be an easy task as often times it requires judgment from the management team. HKFRS 13 is a standard which defines fair value and provides guidance, under a principles-based framework, on how to measure fair value under HKFRS where entities are permitted or required to measure or disclose the fair value of assets, liabilities, or equity instruments. This seminar aims to outline the basic principles of HKFRS 13 and provide some insights on measurement of fair value from a valuer's perspective.

Workshop on Quality Control

The Institute's new edition of *A Guide to Quality Control ("Guide")* was issued in June 2013. The Guide focuses primarily on the development of a firm-wide quality control system. This sets the foundation for the existence of appropriate firm policies that should assist and enable the practitioner to implement the engagement-level requirements.

- The training workshops are planned to introduce the new Guide and the general requirements under the Clarified Hong Kong Standard on Quality Control 1 and the common findings under the Practice Review in relation to quality control.
- Sessions will be held to introduce sample policies and procedures for different sizes of practice that can be used as a starting point in developing a customised quality control on a consistent basis.

Participants are encouraged to bring along their new edition of "A Guide to Quality Control" (either hardcopy or softcopy) for illustrations.

HKFRS for Private Entities Workshops

The HKFRS for Private Entities (HKFRS for PEs) was issued with effect from 30 April 2010. Workshops will be organized for the purpose of assisting members with the implementation of the new HKFRS for PEs.

The HKFRS for PEs workshops will take place over three days. Each day will be broken down into a number of sessions. Each session will include plenary instruction followed by group break-out exercises and feedback. The agenda of the workshops is based largely on IASB training materials with practical guidance on application of all sections of the standard.

Audit Practice Manual Application Workshops

The Institute's revised Audit Practice Manual ("APM"), which was issued in November 2010, has been updated to address the requirements of Clarified Hong Kong Standards on Auditing.

- Sessions will be held to introduce the revised APM and the requirements under the Clarified Hong Kong Standards on Auditing and how they affect audit engagements of non-listed entities.
- The learning workshops are planned to refresh audit skills in risk assessment and risk response. Sessions on how to navigate the excel based audit programmes contained in the revised APM will also be included.

Participants are required to bring along their revised APM (either hardcopy or softcopy) for case illustrations.
