Rules and Match Format

Grouping criteria

The league panel (comprising members of the SnIG Organizing Committee) is tasked with drawing up the match list based on registered players' past performance in practices and tournaments. In the absence of any past records, a pre-tournament practice session may be organized for grouping purpose.

There will be two divisions and each division has a maximum of 10 players, subject to final enrolment.

Player's achievement in this League will be used as reference for selection of representative team members for future external competitions including the Recreation and Sports Club for HK Professional Bodies Tournament.

League format and scoring system

Scoring system:

First Round

1. It is a single-round league for each division.
2. Each match consists of **1** game with **6** red balls (time limit: 20mins for each game).
3. The scoring system is as follows (per match):
 - Won 2 marks
 - Draw 1 mark
 - Lost 0 mark
4. The total number of matches of the league depends on the number of registered players.
5. To "qualify" and to be eligible for the final ranking, a player has to complete all of his/her league matches at the end of the match day. However, if a player has suffered from injury during the match, he/she will be deemed to lose by 0:2.
7. The ranking is based on the total marks of each player for each division. The top 4 scoring players (the "Qualified Players") who get the highest mark in each division will be qualified to enter into the final round (the "Final Round").
 - (i) If there is a tie, the player who won the relevant matches between the players with equal marks will be ranked at a higher place.
 - (ii) In the event that para 7(i) fails to achieve the desired outcome, the ranking will be determined by the total number of marks won in relevant matches.
 - (iii) In the event that para 7(ii) fails to achieve the desired outcome, the ranking will be determined by draw administered by the league panel.

Final Round

1. It is a single-round match.
2. Each match consists of **1** game with **15** red balls (time limit: 30mins for each game).
3. The scoring system is as follows (per match):
 - Won 2 marks
 - Draw 1 mark
 - Lost 0 mark
4. The player who gets the highest mark in Final Round will be awarded champion.
 - (i) If there is a tie, the player who won the relevant matches between the players with equal marks will be ranked at a higher place.
 - (ii) In the event that sub-para 1c(i) fails to achieve the desired outcome, the ranking will be determined by the total marks won.
 - (iii) In the event that sub-para 1c(ii) fails to achieve the desired outcome, the ranking will be determined by draw administered by the league panel.
5. The top four players on the ranking will be the champion, 1st, 2nd and 3rd runner-ups respectively.

Rules

The league adopts the official rules of the games of snooker as issued by the World Professional Billiards & Snooker Association Limited ("WPBSA") where applicable.

SnIG members will be appointed as referee/umpire in the matches on a voluntary basis. Players have the right to raise objection with regards to the decision of the referee/umpire or in the case of foul shot, but they must do so by raising it with league panel on the spot. Upon consultation with the SnIG Co-convenors, their decision shall be final.

The Institute reserves the right to change the format, schedule and rules of the league as and when required without prior notice.
